

Unlock the future with cutting edge solutions

J6 Solutions stands at the forefront of IT innovation, delivering tailored services for both the defence and commercial sectors. As a leading provider, we pride ourselves on providing bespoke solutions leveraging the latest technology.

WHY CHOOSE US

Experience

Led by former Special Forces military personnel, J6 Solutions provides industry leading technical solutions for your organisation. Harnessing over 30 years of experience working in the most demanding and challenging environments, we strive to ensure operational excellence.

Security

Security isn't just a feature; it's a fundamental necessity woven into the very fabric of our operations. Security is one of our core values integral to our company ethos. In today's digital age, we prioritise robust safeguards at every step. Our team is consistently alert, adopting the latest security measures.

Innovation

We thrive on innovation, continuously pushing the boundaries of what's possible. This commitment to pioneering new solutions has not only enabled us to meet the evolving needs of our clients, but has also positioned us as a trailblazer, shaping the future while delivering unparalleled solutions today.

Adaptability

We understand the evolving technical landscape. Keeping up with latest technology and applying it to suit your needs and develop your organisation is paramount. We don't offer stock products, we work with your team to develop a solution fit for your business, and your business only.

J6 Solutions

TSCM

TECHNICAL SURVEILLANCE COUNTER MEASURES

About Us

Led by former Special Forces military personnel, we at J6 Solutions provide industry leading technical solutions for your organisation. Harnessing over 30 years of experience working in the most demanding and challenging environments, we strive to ensure operational excellence.

The threat to personal and corporate privacy is more significant than ever. J6 Solutions stands at the forefront of safeguarding your confidential information with vigorous counter-surveillance measures. Our team of experts specialises in a comprehensive range of services, from Technical Surveillance Counter Measures (TSCM) to advanced anti-surveillance tactics, ensuring that your privacy remains intact.

Industries We Serve

- ✓ Government
- ✓ Military
- ✓ UHNW
- ✓ Technology
- ✓ Private Security
- ✓ Sports

Initial Consultation

Meet and Greet the team, we'll understand the requirement & provide competitive costing.

Recce

If time and environment allows, one of our experts will conduct a physical, or at the minimum, a remote recce.

TSCM Sweep

Our experts will conduct the sweep, usually a four man team led by our highly qualified TSCM Team Leader.

State of the Art Equipment

Our team only uses industry leading equipment to ensure all sweeps can be conducted effectively.

Confidentiality

We understand the value of security and privacy. Rest assured, all discussions will remain confidential.

Detailed Report

We'll provide a detailed report of the findings, future considerations and advice to ensure you stay secure.
